**OF THE JOINT COMMITTEE OF THE REGIONAL CONVENTION**  
**ON PAN-EURO-MEDITERRANEAN PREFERENTIAL RULES OF ORIGIN**

**of 12 December 2024**

**amending Decision No 1/2023 of the Joint Committee**  
**in order to include transitional provisions**  
**in the amendments of the Regional Convention on pan-Euro-Mediterranean**  
**preferential rules of origin applicable as of 1 January 2025**

THE JOINT COMMITTEE,

Having regard to the Regional Convention on pan-Euro-Mediterranean preferential rules of origin<sup>1</sup>  
and in particular to Article 4(1) and Article 4(3), point (a), thereof,

---

<sup>1</sup> OJ EU L 54, 26.2.2013, p. 4.

Whereas:

- (1) The Contracting Parties to the Regional Convention on pan-Euro-Mediterranean preferential rules of origin (the 'Convention') agreed on the amendment of the Convention in order to provide for a new set of modernised and more flexible rules of origin. Decision No 1/2023<sup>2</sup> of the Joint Committee on the amendment of the Convention, which sets out revised rules of origin, was adopted on 7 December 2023 and will enter into force on 1 January 2025 (the 'revised rules of the Convention').
- (2) The Contracting Parties agree that transitional provisions are needed to clarify the preferential treatment to be granted for goods exported from a Contracting Party before the entry into force of the revised rules of the Convention and imported in another Contracting Party after the entry into force of those rules.
- (3) Proofs of origin issued or made out before 1 January 2025 in a Contracting Party in accordance with the rules for optional application to the Convention pending the conclusion and entry into force of the revised rules of the Convention should be accepted for preferential treatment at importation after 1 January 2025.
- (4) Proofs of origin issued or made out in accordance with Appendix I to the Convention, or issued in accordance with the protocols concerning the definition of the concept of 'originating products' and methods of administrative cooperation preceding the Convention, before the date of entry into force of the amendment of the bilateral protocols between the Contracting Parties to include the reference to the Convention as last amended should be accepted for preferential treatment at importation after that date.

<sup>2</sup> OJ EU L, 2024/390, 19.2.2024, ELI: <https://eur-lex.europa.eu/eli/dec/2024/390/oj>

- (5) A number of the Contracting Parties have indicated that they will not be in a position to update, before 1 January 2025, their bilateral protocols on rules of origin with a reference to the Convention as last amended, due to the length of their internal procedures.
- (6) The delay by a number of Contracting Parties in updating the bilateral protocols to include a reference to the Convention as last amended could lead to the disruption of current cumulation possibilities.
- (7) The Contracting Parties agree that transitional provisions are needed to preserve trade flows based on current cumulation possibilities, pending the finalisation of the process of aligning all bilateral protocols with a reference to the Convention as last amended. Appendix I to the Convention as applicable prior to the amendments introduced by Decision No 1/2023 of the Joint Committee should be applicable, as a transitional measure, between the Contracting Parties to the Convention in parallel with the revised rules of the Convention and cumulation should be allowed between the different sets of rules where possible.
- (8) The Contracting Parties agree that the transitional provisions are technical in nature and should be applied as soon as possible. Where possible under the Contracting Parties' internal legislation, the provisional application of the transitional provisions should be ensured.

- (9) The Contracting Parties agree to amend Decision No 1/2023 of the Joint Committee to include in the revised rules of the Convention transitional provisions applicable for a period of one year from the date of entry into force of the revised rules of the Convention, namely for the period from 1 January to 31 December 2025.
- (10) Each Contracting Party should take appropriate measures to ensure that the revised rules of the Convention are effectively applied by aligning the bilateral protocols with a reference to the Convention as last amended by 31 December 2025,

HAS ADOPTED THIS DECISION;

*Article 1*

1. Decision No 1/2023 shall be amended as set out in the Annex to this Decision.
2. The amendments to Decision No 1/2023 shall enter into force on 1 January 2025.
